

**Hong Kong Accreditation Service (HKAS)**  
**The Hong Kong Inspection Body Accreditation Scheme (HKIAS) -**  
**List of Organisations with Entire Inspection Field Suspended or Terminated**  
**(Archive)**

Tabulated below are the lists of archived suspension / termination cases. The following lists are updated weekly with situation which is current at that time. These lists only show those accredited organisations with the whole inspection field suspended or terminated. In addition, the lists do not display those suspended and terminated activities individually. You are advised to refer to the [scope of accreditation](#) displayed on our website for the official accreditation status of the specific activities of an accredited organisation.

To view inspection bodies with its HKAS accreditation status currently being suspended or terminated, [click here](#).
