

Hong Kong Accreditation Service (HKAS)
The Hong Kong Laboratory Accreditation Scheme (HOKLAS) -
List of Organisations with Entire Test Category / Area Suspended or
Terminated (Archive)

Tabulated below are the lists of archived suspension / termination cases. The following lists are updated weekly with situation which is current at that time. These lists only show those accredited organisations with the whole test category / area suspended or terminated. In addition, the lists do not display those suspended and terminated activities individually. You are advised to refer to the [scope of accreditation](#) displayed on our website for the official accreditation status of the specific activities of an accredited organisation.
