# **Scope of Accreditation**

For an initial application for accreditation and an application for extension of scope of accreditation, the examinations proposed for accreditation shall be detailed in HOKLAS 016-A1 – Scope of Accreditation Sought. You may wish to refer to the scopes of some accredited laboratories as examples. They are available on HKAS website.

For a reassessment, the "Scope of Accreditation to be Reassessed" should have been sent to the laboratory for confirmation by HKAS Executive together with the letter informing the laboratory of the forthcoming reassessment. The laboratory should check this scope carefully, mark only typographical errors to be corrected on the scope, sign and return the confirmed scope for reassessment to HKAS Executive.

For any voluntary suspension/termination of examinations from the scope of accreditation, a copy of HKAS 009 – Notification of Changes shall be completed and returned together with the confirmed scope of accreditation to be reassessed to HKAS Executive.
