

計量學研討會
2026 | **METROLOGY**
SYMPOSIUM 2026**THE FOUNDATION OF SMART CITY**
智慧城市的基石

The Metrology Symposium 2026 is jointly organized by the Standards and Calibration Laboratory (SCL) of the Innovation and Technology Commission, the Government Laboratory, and the Hong Kong Council for Testing and Certification. Under this year's theme, "The Foundation of Smart City", the symposium will explore how precision measurement underpins smart living and technological advancements.

計量學研討會 2026 由創新科技署轄下的標準及校正實驗所、政府化驗所及香港檢測和認證局聯合主辦。本屆研討會以「智慧城市的基石」為主題，探討精密測量如何支撐智慧生活及科技發展。
